NEW Grand'O 8kg Washer

Large load - exceptional value

Following the successful launch of last year's 7kg Grand'O, further research and development have ensured that Candy continues to break new ground with the introduction of the extra large 8kg capacity model that fits within a standard 60 x 60cm kitchen space.

Grand'O Shiatsu WASH SYSTEM

The new 8kg Grand'O now features an innovative Shiatsu wash system that, as well as providing outstanding triple A wash performance in its 1400 and 1600 spin speed models, gently massages the clothes thanks to the newly designed drum to ensure perfect results. Stain Vanish and Allergy Care programmes provide the ultimate care for your clothes, while the Fast Wash option and Rapid 32 minute cycle saves you time.

Higher wider door

Positioned 100mm higher, the extra large 350mm door takes the strain out of loading and unloading and means bulky items go in without a struggle.

04

Complementary NEW Grand'O 8kg Tumble Dryer

To complement the new 8kg Grand'O washer Candy now have an extra large 8kg condenser dryer.

Its generously sized door allows easy loading and unloading. Complete with Fast Iron Cycle and two heat settings, it's ideal for those with busy lifestyles.

NEW Fullsize Dishwasher

Candy's new electronic control full size dishwasher can accommodate 12 place settings comfortably.

With its 5 simple to operate wash programme options – including a useful Fast Wash and Economy 45°C programme, it delivers an outstanding triple A performance.

05

New Electronic Slimline 45cm Dishwasher

Just 45cm wide, this space saving dishwasher can deceptively accommodate 8 place settings.

This class leading 'AAA' rated slimline dishwasher has a choice of 6 electronic programmes and a useful Fast Wash makes this a truly unbeatable high performing dishwasher.

Candy go big on 54cm Frost Free & Static

Candy is the brand for the now generation – independent young adults living for today.

And the 54cm refrigeration model fits the bill perfectly with its stylish and very affordable technology.

Ideal for singletons and co-habiting couples in smaller houses and apartments.

Each of the new range features fresh internal aesthetics including spill resistant glass shelves and robust, transparent freezer drawers plus a hygienic meat shelf.

Energy Efficient

All Candy refrigeration products are extremely energy efficient, achieving the highest A or A+ rating. Easy on the environment, easy on your pocket.

06

07

Under Counter Solution

Not one but three under the counter refrigeration solutions are available from Candy, ideal where space is at a premium.

All 3 models are 85 x 55cm and boast A energy performance with either glass shelves or transparent freezer drawers. Available as fridge, larder or freezer configurations.

Wine Cooler

Following last year's successful launch of the Candy wine cooler, a new all black model has been introduced.

Ideal for storing both red or white wine, this under the counter model comfortably accommodates 40 bottles. Perfect for all your parties at home.

Big Loads

With a choice of large 6kg and massive 8kg loads, Candy can easily handle all your family's washing requirements.

Triple A Rating

For ultimate performance, our super fast 1400 and 1600rpm spin models achieve the unbeatable triple A rating for wash, energy and spin.

Mix and Wash

Now you don't have to wait until you have a full load of similar colours and fabrics. Our unique 40° 'Mix and Wash' means mixed colours and fabrics can be washed together safely and efficiently.

Clever Options

To make life easy, you can choose a range of options including Woollens, Hand Wash and Fast Wash which saves up to 50 minutes on selected cycles.

Pure Simplicity

Candy washing machines are both sophisticated and simple to use, with an LED display showing 'Time-to-End' and delay start information. The two-way programme dial is ingeniously designed so you can select different temperatures within fabric ranges.

Activa Wash System

Candy washing machines are very smart indeed. The Activa Wash System maximises washing efficiency by constantly monitoring and adjusting critical elements of the wash cycle, including temperature and drum action.

Allergy Care

Taking extra care of your clothes and your delicate skin, this option combines five full rinses and a deeper than normal water level to remove as much detergent as possible.

Stain Vanish

Helps tackle stubborn stains by maintaining wash temperature and varying spin speed at critical stages in the wash cycle.

Rapid 32 Minute Cycle

In a hurry? The 'Rapid' 32 minute wash option is a real time saver.

Choose between the Candy Grand'O vented dryer, where steam is vented through a hose, and our condenser dryer, where steam is condensed into water and stored in a container for emptying.

CANDY

'Fast Iron' Cycle

All Candy Grand'O dryers feature a short heated conditioning cycle that helps relax fabrics that may have become piled up or stiff, making them easier to handle for quicker ironing.

'Refresh' Cycle

Tumbling of laundry in cool air to freshen up clothes.

Highly Efficient Reverse Action

This prevents clothes from tangling during the drying cycle and will therefore help them dry more quickly.

'Filter Care' Indicator

Lets you know when to clean the fluff filter. Not only is this good practice, it will save you time and electricity.

2 Heat Settings

Choose high heat for cottons, or low heat for acrylics / synthetics.

Dishwashers

18

When the party's in full swing, Candy dishwashers turn in a star performance to keep everything sparkling clean.

There are four models to choose from, including two variations of our full size 60cm model that can handle 12 place settings. Or, if space is a bit of a squeeze, there's our slimline 45cm machine for eight place settings.

Easy Adjust Basket

The height of the upper basket can be adjusted easily to alter and allow larger plates to be stored in it.

Half Load

When you only have a few items to wash, the built-in sensor adjusts the water and electricity consumption to avoid wastage.

Strong Cycle

The strong cycle eliminates 99.9% of bacteria that may be present in your dishwasher by maintaining a 70°C temperature throughout the wash and rinse phases.

Safe Stop Baskets

This feature prevents the basket from pulling all the way out when emptying the dishwasher, therefore avoiding any accidents of dropping the basket full of crockery.

Fast Wash

Perfect in your wash load, the Fast Wash option is a real time saver.

Fridge Freezers

22

Frost Free

The Candy frost free system eliminates the formation of ice in the freezer interior so there's no need for defrosting.

Fresh Internal Aesthetics

You are sure to love the clean, fresh styling of the Candy fridge freezer, with its strong aesthetic appeal.

Spill Resistant Glass Shelves

Spill resistant glass shelves with raised edges prevent spillages from dripping on the food below.

Fast Freeze

The adjustable thermostat allows you to select the coldest temperature to freeze your food in the fastest time.

Meat Shelf

For food hygiene purposes, it is advised to store meat on the bottom fridge shelf. Candy has added an extra deep channel around the edge of the shelf to collect any spillages.

Transparent Drawers

Candy freezers have stylish, functional interiors featuring transparent drawers that make it easy to locate food.
